#### About the Keynote Speaker:

Senior Deputy District Attorney Gerry Lopez graduated from UCLA with a Bachelor's Degree in Sociology in 1985. In 1989, he received his law degree from the UCLA School of Law. In 1990, committed to the ideals of public service, truth and justice, Mr. Lopez moved to the Inland Empire to join the Riverside County District Attorney's Office where he has served the community as a prosecutor for the past 25 years. Over the past several years, Mr. Lopez has been recognized locally and abroad as an expert specializing in juvenile delinquency prevention and intervention. Currently, Mr. Lopez is the supervisor of the District Attorney's newly created Crime Prevention Unit. Mr. Lopez's presentation, **Parent Power**, will demonstrate that parents have the power to keep their children away from gangs, drugs, delinquency, and negative behavior. Techniques will be shared on how parents can develop positive and healthy relationships with their children, the effective strategies to deal with defiant and rebellious children, and the importance of proper supervision and structure.
